

Approval of Foreign Maintenance Organization based in the UAE

Approval Number: GCAA.FMO.002

Ref: 26250/71618/FOA/DXB/22

Pursuant to the UAE Civil Aviation Rules and Regulations (CAR PART III, CHAPTER 6 - CAR-ORG) currently in force and subject to the conditions annexed hereto, the General Civil Aviation Authority of the UAE (GCAA) has approved

**Volga-Dnepr Gulf (UAE) FZC
Sharjah International Airport, and
Fujairah International Airport
Saif Zone, Block 04-04
P.O.Box 8353, Sharjah, UAE**

to perform maintenance activities at Sharjah International Airport (OMSJ) as defined in the EASA Maintenance Organization Approval Certificate reference EASA.145.0650, latest revision issued and Russian Federation Maintenance Organization Approval Certificate reference No. 285-16-066 latest revision issued provided the below conditions are fully met and maintained:

Conditions:

1. This approval is limited to the work listed in the approval Schedule/scope of the Maintenance Organization Approval Certificates mentioned above.
2. All maintenance work shall be carried out in accordance with the approved Maintenance Organization Expositions.
3. The GCAA accepts no liability or responsibility as a result of any maintenance activity performed by this foreign maintenance organization.
4. This approval does not include privileges to conduct any maintenance activity on UAE registered aircraft (A6).
5. The GCAA reserves the right to inspect the facilities of the approved Foreign Maintenance Organization premises at any time.
6. Any changes in the Maintenance Organization Approval Certificate and the Approval Schedule shall be sent to Foreign Operators Affairs of the GCAA on FOA@gcaa.gov.ae without delay.
7. This approval is automatically terminated, if Maintenance Organization Approval Certificates referred above, are surrendered, superseded, suspended or revoked.
8. Privileges of this approval are limited to the above address and as stated in Annex A.
9. The GCAA may, at any time, revoke or suspend this approval if there is an obvious threat to safety.
10. This approval supersedes the approval issued reference number 26250/71436/FOA/DXB/21 dated 22 February 2021.

Date of Initial Issue : 28 February 2019

Date of this Issue : 02 March 2022

Date of Expiry : 27 February 2023
